Lip Service (Lone Star Sisters Book 2)

Synopsis

Skye Titan's wealthy father thinks he can still dictate his daughter's choice in men. Now widowed and a single mother, Skye isn't the yes-girl she once was. Especially since the love of her life is back in Texas after eight long years. He won't like the answers to the questions he's asking. About why she left him at the altar. And about her eight-year-old daughter. Former Navy SEAL Mitch Cassidy comes home to find nearly everything different. His wounds from battle have changed the way people treat him. His cattle ranch is suddenly organic. But time hasn't touched his desire for Skye; or the sting of her betrayal. Forget lip service. He's asking that luscious mouth of hers to reveal the truth. But will Mitch be able to put the past aside to help Skye get out from under her father's thumb; and help himself recover from a broken heart?

Customer Reviews

My Review: Susan Mallery consistently writes contemporary romances that I just love to read for an afternoon's escape. Her books are sweet, fun, romantic, witty, and always feature a wonderfully quirky cast of characters. The Fool's Gold series continues to delight my reader's mind. I just really love this series. There is something about continually getting to visit this sweet little town and the

wonderful characters that live there, that just makes me happy. This book is about Nevada, the last of the Hendrix triplets to find love. Her hero is Tucker, although it takes her a while to realize it. Tucker was one of Ethan's (Nevada's brother) friends and when she goes to college where Tucker lives, Ethan tells her to look Tucker up. That results in a friendship between Nevada, Tucker, and Tucker's girlfriend Cat. Tucker doesn't realize that Nevada actually has feelings for him, but Cat does, and in a twisted scheme, Cat "gifts" Nevada with Tucker. This results in the most horribly disappointing five minutes of Nevada's life. She hasn't seen him since until she walks into a job interview for her dream job ten years later. Needless to say, they have some issues that they need to work out. Such a fun book. I love that the history between Nevada and Tucker is so embarrassingly horrifying for both of them. It makes it a really fun set-up for the book. But beyond that and before the romance truly starts to develop, I like that Tucker & Nevada develop a true friendship and comradery both at work and outside of it. They both have their faults and have both made mistakes in their history, but these are definitely two people that you can like and cheer for as a reader. There are also some fabulous side stories in this one...
