Yes! Yes! Yes! Definitely worth the wait! Straight Gutta Baby! This series is off the chain! Charlean and Marcus, Tamekia and Paco finally getting it together! Charlean finally finding a friend as GUTTA as she is, Dewayne thinking he is now one of Charlie's Angels (too funny) and Tony expressing feeling for a woman made for one of the best dramas in the reading world! We know all this happiness had to come to a screeching halt! Death is right around the corner for those responsible the abduction of Precious and those hatin on Gutta and Marcus! I look forward to see the streets of

Tennessee painted blood REDD!

OMG!!! This book was so good I couldn't put it down. Man I love this series the Gutta Boyz and the Gutta Girlz got it going on. I can't wait for the next book to come out I need to know who took Paco's baby? is Lolly okay? And what's up with Nikko? I can tell by the ending the next book will be filled with a whole lot of drama and excitement. Don't pass this one up u won't be disappointed.

Now you know I'm not one to sugar coat nothing....but this book was good from beginning to end. Omg I love how Nicolette fits right in with these crazy bunch of people. No matter what they go through love these men have for their women is beautiful. I was rooting more for Tamekia and Paco more than any of the other couples, Marcus and Charlene are already set in stone. Can't wait for the final part of this saga!!! Bravo Redd.....

Author: Authoress Redd, This was a good story with action that kept me wanting to read the complete saga. Of course, I have to wait to get the nerve ending completion. The characters were exciting and left you wondering who will survive. Anxiously waiting for next or last episode. I like this author style of writing.

Naw Lawd not the baby! Now Redd showed up and showed out! She snapped with this book. I love how she broke down everybody problem. Marcus and Gutta was to funny. Nikki know how to nut up on a person. I would have did the same thing. Paco and Meka. Wow I just want to see whats going to happen with them. Over all the book was off the chain. I can't wait for the next one!

Now this what you call Gutta,that Gutta is the Truth I so love that broad.....No Homo..I truly recommend this book and the whole Gutta series by this author to all that's not familiar with it and any of her other books....she is definitely talented and leaves you wanting more....soooo can't wait for the next installment of the Gutta series

This book was so good I couldn't put it these people was crazy af, Gutta was the was a fool too, and love Dwayne he was so funny with his dramatic ass, and Nikki was off the hook to with her idgaf attitude she was not playing. The Gutta Boyz and Gutta Gurlz was to be mess with I can't wait for part 2,because ik shit is about to get!!!
