Customer Reviews

Well I must say this is my first book by this author it was GOOD !!!!From the beginning to the end it was a page turner !!! It had me feeling anxious and crazy at times !! The storyline is off the chain !! 3 girls then 2guys and bunch of idiots in between all of that !! I was Very pleased with how it all came

together LOVED IT

This author is so under estimated his books are so good.he is being slept on. Each book that this author writes is different from the next , it's not the same story over and over again with a different title. I have read all of this author's books and I haven't been disappointed as of yet. Good job

For a first time author this book was amazing. Action packed and unpredictable. Shawn has truly found his calling. Can't wait to read more from him.

Very good read I enjoyed it. Love Desean and Dalivia both were love able and humble. Great read and glad it was one book!
