The Curse

Synopsis

After a horrible prank, a distraught girl takes her own life, leaving a devastated best friend in her wake. Vanessa reacts by enlisting the help of her aunt, who casts a curse on those she deems responsible - her high school's resident power couple, Josh and Anna. The curse manifests itself when Anna begins to show infantile traits while Josh's masculinity slowly abandons him. How far will the curse go? And can Vanessa see the error of her ways before it's too late? This story contains the following themes: adult babyhood, feminization, transgenderism, and homosexuality.

Customer Reviews

This story has well paced transformations but has a lackluster ending. I think that some of the more sensual scenes were short and lacked detail.
