

Synopsis

Antes de que anotara 400 jonrones . . . antes de que lo nombraran jugador más valioso en la Liga Americana . . . antes de que fuera "AROD" para millones de fanáticos . . . era simplemente: Alex. Un niño que quería jugar béisbol más que nada en el mundo. La estrella del béisbol Alex Rodríguez se ha inspirado en sus propios recuerdos de infancia para crear este emocionante libro para niños. Es la historia de un chico, Alex, que sabe lo mal que se siente al dar un batazo ante un lanzamiento despiadado, o cuando la pelota le rebota a uno entre las piernas. Alex está decidido a no darse por vencido, ¡aunque si eso significa tener que levantarse todos los días antes del amanecer para practicar bateando o aparando antes de ir a la escuela! Lleno del mismo espíritu de determinación y amor al deporte que colocó a AROD en una clase aparte, ¡Jonrón! es un regalo de este grande del deporte a todos los pequeños jugadores que sueñan con convertirse en estrellas.

Customer Reviews

Un libro deleitoso por superestrella yanqui Alex Rodriguez. ¿Quién no sabe que la leyenda llaman AROD? Esto es la versión española de "Fuera del Terreno". Las ilustraciones brillantes por Frank Morrison dicen la historia, incluso si usted no pueda leer español. ¿Quién madre de un entusiasta del béisbol no sabe el sonido de "Toc! ¡Guante de Al - Toc! ¡Guante de Al" contra la pared interior de la casa? ¡La historia es buena--nuestro amado Alex puede escribir así como

juega pelota! Es inspirador, pero no excesivamente hecho -- Alex recomienda el esfuerzo sostenible lograr objetivos. La poste-historia incluye cuatro páginas de notas personales y un calendario de fotografías. Un debe tener para jÃ venes ventiladores, pero una historia verdaderamente buena del bÃ©isbol, aÃ©n sin saber que el principal carÃ©cter esA delightful book by Yankee superstar Alex Rodriguez. Who does not know the legend called AROD? This is the Spanish version of _Out of the Ballpark_. Bright illustrations by Frank Morrison tell the story, even if you can't read Spanish. What mother of a baseball enthusiast does not know the sound of _Toc!_ -al guante_ Toc! against the indoor wall of the house? The story is good--our beloved Alex can write as well as play ball! It's inspirational, but not overly done. Alex touts sustainable effort to achieve goals. Post-story includes four pages of personal notes and a timeline of photographs. A must-have for young fans, but a genuinely good baseball story, even without knowing who the main character is.

Wonderful book with an excellent message. Congrats to Alex Rodriguez for writing such a simple story with such a lovely message. The book addresses disappointment, hard-work, academic and physical success, and teamship, and family. I can't say enough good things about this tale.
