Customer Reviews

The nine books of Laura Ingalls are full of descriptions and make the reader to get involved in her experiences. I highly recommend them, they are very easy to read.

it doesn't have all the same pictures that are in the English version . Other than that we like it.

My mom cries when she saw the book, it was a gift for her. Recommended for every fan of this TV program.

My mom said it was addicting. She could not put this book down.
