The Billionaire's Salvation ~Max (The Billionaire's Obsession, Book 3)

Synopsis

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah, he was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed, until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Find out by reading *The Billionaire's Salvation*, Book 3 in The New York Times Bestselling series, *The Billionaire's Obsession*. This is a complete contemporary erotic romance novel with no cliffhangers!

Customer Reviews

I loved Max before and now he is the HOTTEST!!! He loved his wife, Mia, with all his heart and her disappearance was nearly his undoing...but she reappears and he is ecstatic...for awhile Don't want to give away important info...just read this wonderful love story. You will not be disappointed!

A new story from one of my favourite authors. Plus what's really great it's a longer length than usual. This time we meet Max Hamilton, who briefly appeared in the last book about Sam and Maddie. Max is Maddie's long lost brother. He and Maddie have only recently been reunited. But have become very close. Maddie worries about Max, he seems so lonely. Maddie has tried to fix him up with several different women. But Max has lost the only woman he ever loved two years ago. There will never be anyone else for him. Then while at a family barbeque in the park. He spots a woman who steals his breath away. Once again this author has penned a great romance. With great characters who are easy to like. Loved the chance to catch up with characters from the previous books as well. This is more dramatic and emotional than the author's other books. But we still get what she's best at IMO. Really great sex scenes. Loved this story, and can't wait for more.

I just love this big sweetheart of a billionaire Max! What's not to love?! He has to be one of the sweetest men on the planet who lost the love of his life only to find her again. Now that is an awesome love story! J.S. Scott has done it again - I love all the billionaires buddies in this group! Ya'll have to read this series! Each one of these guys are special!

Awesome series. Buy the box set!! You will want all these books. This was an amazing series. The characters were easy to love and follow. And yes it was written about "billionaires" but these guys were more like you and me. JS Scott is now one of my authors I will be watching for new books from.

Enjoyed the story of Max and Mia. It sad that she had to be away for all that time but I'm glad they had their HEA! Their chemistry was like molten lava. I would like to read about how Sam made it through labor and delivery and how Simon is going to handle twins! Love the series!

Looked forward to this story and Scott didn't disappoint! Nice to know that Max got his HEA. Thanks also for the finish to Simon and Kara's HEA.

I absolutely love J.S Scott's work and I'm a big fan of all the Billionaire books. I say this with 100% conviction, THIS is the best of all the Billionaire books. If you like or love the others, you will be OBSESSED with this book. The book was released today and I couldn't put it down. I will be reading it again before weeks end. It really is that good!

I loved this whole series! Each book in this series was well crafted to be read as a stand-alone but is so much more rewarding if you read them all. The storylines and characters are real enough that you feel their humanity; you hurt with them and share their joys. Rich people have feelings, too. :-)
