I find this bible to be the best translation to Spanish from the original languages (Hebrew-Aramaic and Greek) directly into modern Spanish bypassing the Latin and German translations and arriving as purely as possible to the Spanish language. It is accurate and very easy to understand. The commentaries are an excellent addition, I find the commentaries to be exegetically sound and are refreshing to read in light of other recently released more popular versions. It is my daily driver and I recommend it to all Hispanic, Latinos and those who are fluent in Spanish.

Muy buena biblia de estudio. Encuadernación excelente, buen tamaño de letra (10pt) Buena calidad de papel (no se transparenta). Mucha información (concordancias, ayudas, mapas a color) Aunque como casi todas las biblias de estudio los pasajes realmente complicados no son explicados.

I find this Bible to be very well done both in Biblical text and in commentary material, and other resources. It's a pleasure to read and to use.

Excelente Biblia de Estudio. Todo el mundo debiera tenerla! Servicio de Amazon excelente, tanto en precio como en rapidez.

Pros:- The font size makes it comfortable to read- The commentary of the verses are not intrusive, as it might appear from a quick glimpse of some pics- The contrast between ink and paper improves readability- The index is a good added value. It's very helpful in finding specific sections
Cons:- The weight is something you can't just ignore. I mean, It is not a dumbbell or an anvil, but it's certainly not a feather. If you plan to go around with it, take in consideration the weight. We are talking about 3.x to 4 pounds. Many people go around with a Bible of this size, but I was used to a Paperwhite Kindle.- The bonded leather seems somewhat fragile/thin compared to the size of the whole book. Maybe that won't be a problem, but I would like it a little bit thicker.
About the translation: it is accurate and faithful to the original languages. This is a very comfortable text for those of us who would prefer something a little bit less poetic than the RV1960, specially in the O.T. writings.

This bible is great. It has a lot of information that is useful for studying and learning. The only thing is that it's thick and heavy. I supposedly purchased this one because I thought it be smaller than the bible I currently use and lighter in weight. I thought it fit in my purse more conveniently, but I was wrong. It's thicker and heavier than my current bible. Aside from that it's a great buy.

Lleno mis expectativas muy buena biblia de estudio y con una de las mejores traducciones ,comentarios que llevan a la luz algunos pasajes biblicos que a veces no entendemos .y con una concordancia amplia llevada de la mano con un diccionario Dios les bendiga

Esta es la Biblia con la versión más fiel al original que las demás versiones. Tiene miles de ayudas que ayudan a comprender el texto bíblico. Es un recurso que no puede faltar en la

biblioteca de un estudiante serio de la Biblia. Me gustaría tenerla en formato digital para llevarla a todas partes, ya sea en mi laptop o tablet, pero creo que aun no está disponible.
