# Doing It Over (A Most Likely To Novel Book 1)

## Synopsis

Voted Most Likely to Succeed, Melanie Bartlett ended up anything but. The down-on-her-luck single mom wants a complete do-overâ€”is that too much to ask? With her family long gone from River Bend, strong, independent Mel is as surprised as anyone to end up in the quaint small town she once called home. But with her friends, Jo and Zoe, by her side, and a comfortable room at Miss Ginaâ€™s quirky bed-and-breakfast, she just might have turned the corner on a new life. Wyatt Gibson never liked the big city. River Bend suits the ruggedly handsome builder just fine. Wyatt knows heâ€™s home, even if that means being charmed by the appearance of Melanie and her spunky, adorable daughter. Is Wyattâ€™s calm devotionâ€”even amid a coming stormâ€”enough to convince Mel she may have found a home to call her own, a family that never leaves, and a true love to last a lifetime?

## Customer Reviews

Doing it Over is book one in the Most Likely series. I'm a huge fan of Catherine Bybee. She has the ability to suck you in to her stories with her well written words, humor, relationships, suspense and sexiness. I hate to see her series' end, but I cheer when I hear there's going to be a new one. Doing

it Over is not a second chance romance, but it feels that way. Melanie, Zoe and Jo were best friends in high school and they vowed to come back for their ten year reunion no matter where their lives took them. This is Melanie's story, but we meet the entire gang. I'm already hooked on these characters and invested in their lives. Mel came back to town for a visit with her daughter Hope and her crappy car. Before she can make it home the car dies. Somewhat sealing her fate to really coming back home. She gets a room at the Inn she and her friends use to find solace in as girls. They would escape their troubled lives and visit Miss Gina. She seems to just know that Mel needs a helping hand, so she offers her a job. Mel comes face to face with the man who offered her help when her car broke down. She didn't take it and now she feels a little foolish. There's an instant attraction and Mel has feelings she hasn't had in a long time, if ever. Wyatt came to town while Mel was gone, but she's the first woman who's made him want to commit. He's a general contractor working on the Inn so he gets to see a lot of Mel and her daughter. They can't fight their attraction and Wyatt is exactly what Mel needs. Stability, love, friendship and a promise of much more. When Mel's past comes back to haunt her, Wyatt won't go down without a fight. Will Mel let Wyatt help her? Will Wyatt finally let someone into his heart? I loved Mel and Wyatt!
