Unbroken: Understood, Overheard And Undenied

Synopsis

All three of Maya Banks's sexy novellas combined into one volume! **UNDERSTOOD** Jake Turner committed the ultimate mistake of falling in love with his best friendâ™s wife. The distance he puts between them costs both him and Ellie Matthews dearly. Jake will never forgive himself for not seeing what a bastard his friend was. Now that Ellie is free from her nightmare, Jake waits, needing and wanting. Heâ™ll be there when Ellie is ready to spread her wings. **OVERHEARD** Gracie Evans is a woman tired of the men in her life not satisfying her in bed. Sheâ™s had a string of boyfriends, but none of them have come close to satisfying the vivid fantasies she has. Two weeks before Valentineâ™s Day, she breaks up with her latest boyfriend after a night of lackluster sex. When her best friend, Luke Forsythe, overhears her talking to their friend Michelle about what she really wants, heâ™s stunned. And very turned on. Gracie thinks there isnâ™t a man alive who can satisfy her in bed. Luke aims to prove her wrong. **UNDENIED** Wes Hoffman has a good life and good friends and firmly entrenched in his comfort zone. Until a blast from the past tilts his universe and gives him a healthy dose of something he isn't used to experiencing. Insecurity. Payton Ricci is surprised but not the least bit unhappy when she spies Wes Hoffman across the bar at a bachelorette party. He was her first many years before but the two have very different recollections of the act. When Wes dodges Payton like a man with the hounds of hell at his heels, Payton realizes it's going to take a whole lot more effort on her part to make him see the light. Better yet, see her. As a grown woman and not the teenage virgin he once made love to. **About the Author** Maya Banks is a #1 NYT and USA Today bestselling author across multiple genres including contemporary romance, erotic romance, romantic suspense and Scottish historical romances. She lives in Texas with her husband and three children. When not writing, she enjoys traveling, reading and spending time with her family. UNBROKEN is a collection of three connected novellas. UNDERSTOOD is the story of Ellie Matthews and Jake Turner. Ellie was married to Jake's former high school friend. Her marriage almost destroyed her and Jake blames himself for not seeing the abuse going on in the marriage. Jake has been in love with Ellie for years and he now sees the opportunity to make a move on Ellie. This novella is hot and I was surprised at how much I liked the relationship between Jake and Ellie. Even though there is a lot of sex involved in this novella, there is an underlying tender relationship that elevates the very sexual story. OVERHEARD is the story of Gracie Evans who is tired of the crummy men in her life. When she tells her friend about her sexual fantasies, they are overheard by Luke Forsythe. Luke and Gracie have been friends but Luke is surprised that Gracie's sexual fantasies complement his own. This novella is extremely steamy and includes a menage scene. Unfortunately, I think this story could have benefited from a longer story because a reader has to take the prior relationship between Luke and Gracie as a given and the focus of the story is on sex rather than a relationship. UNDENIED is the story of Wes Hoffman who runs into the woman who was his first sexual partner, Payton Ricci. Wes is embarrassed by his prior performance and tries to avoid Payton. Payton, however, remembers the event in a more positive manner and is determined to have another try. The beginning of this book is all about sex, but quickly develops into a relationship where each wants more. I thought this book was funny and I appreciated how Payton turns the table on Wes in being the aggressor.
